

COMPANY OVERVIEW

Hydrovac Pro, a dba of Sabe Capital, LLC, is a Fairbanks-based hydro-excavation and vacuum-truck contractor serving utilities, government agencies, mining, oil & gas, and industrial clients across Interior Alaska and the North Slope. We expose and clear buried infrastructure without the strike risk of mechanical digging, backed by 13 years of Arctic and North Dakota oil-field experience, a hot-water hydrovac that cuts frozen ground, and a perfect safety record of zero utility strikes.

CORE COMPETENCIES

- Hydro excavation: daylighting & potholing
- Slot trenching & precision excavation
- Vactor 2100 jetter: culvert, storm & sewer cleaning
- Service pit, sump & tank cleanouts
- Cold-weather & frozen-ground excavation / thawing
- Emergency & spill response, liquid recovery

DIFFERENTIATORS

- Perfect safety record: zero utility strikes
- Hot-water hydrovac for permafrost & frozen ground
- One crew, two trucks: Tornado F4 + Vactor 2100
- 24/7 emergency & after-hours mobilization
- Licensed, bonded, insured · OSHA · DOT registered
- Documented digs for engineering & procurement

INDUSTRIES SERVED

Utilities & Telecom · Government & Municipal (DOT, FAA, boroughs) · Mining · Oil, Gas & Pipeline · Construction & GC · Environmental & Industrial
